Because The Club is a volunteer organization, its effectiveness is dependent upon each member volunteering in some way, no matter how small. It is hoped that each member will participate in, volunteer, and support Club events as often as possible. It takes all of us working together to make The Club function properly, so we encourage everyone to serve in some way. Please ask Board members or be aware of opportunities advertised on Club forums to determine in what way you may be able to serve within The Club.

Please **check at least 1** ways in which you might like to volunteer in The Club in the coming year.
